| 1. GENERAL INFORMATION ABOUT THE EDUCATIONAL COMPONENT | | | | | |
|---|--|--|--------------------------------|------------|-----------------|
| 1. | Title of the EC | HISTORY OF INTERNATIONAL RELATIONS | | | |
| 2. | Faculty / Chair | Faculty of Law, International Relations Chair | | | |
| 3. | Status of the EC | Compulsory | | | |
| 4. | Program / Specialty (programs), the component of which is EC for (to be filled in for obligatory EC) | Educational and professional program “International Law” in the specialty 293 International Law | | | |
| 5. | EC can be suggested for (to be filled in for optional EC) | | | | |
| 6. | Level of the National Qualifications Framework | The first (bachelor’s) level of higher education, NQF – level 6 | | | |
| 7. | Semester and duration of module | 1 semester, 1 – 15 weeks | | | |
| 8. | ECTS credits number | 5 ECTS credits | | | |
| 9. | Total hours and their distribution – 150 hours | Contact work (classes) | | | Individual work |
| | | Lectures – 44 hours | Practical / seminar – 30 hours | Laboratory | 76 hours |
| 10. | Language | English | | | |
| 11. | Module Leader / Coordinator of the Educational Component | Volchenko Nataliia Vasylivna, PhD, Associate Professor of the International Relation Chair Hours of consultations – every Monday at 12.15, office 110 h | | | |
| 11.1 | Module leader contact information | natavol4enko@gmail.com | | | |
| 12. | Module description | <p>The course “History of International Relations” allows students to acquire thorough and systematic theoretical knowledge about the processes and phenomena of world society, to reveal the main trends in world politics and features of international relations in different historical periods of the modern world.</p> <p>The task of the discipline: to form learning outcomes that will ensure that students of the first (bachelor’s) level achieve the appropriate program’s learning outcomes after the completion of the educational program. In particular, the educational component “History of International Relations” forms a block of knowledge, skills and competencies needed to form a system of knowledge on economic, political, ideological, legal, diplomatic, military and other ties and relations between states and systems, political forces, organizations and movements operating in the international arena; deepens knowledge of the need to take into account the impact of past events on the development of international relations for the practical application of acquired knowledge and take into account previous experience to predict the possible consequences of international relations.</p> | | | |
| 13. | Module aim | The aim is to provide students with thorough and systematic theoretical knowledge about the processes and phenomena of world society, to reveal the main trends in world politics and features of international relations in different historical periods of modern world’s formation | | | |

| | | |
|-----|--|---|
| 14. | Module Dependencies (prerequisites, co-requisites, incompatible modules) | The module is based on general knowledge, as it is taught in the first semester. The module is the basis for such courses as the theory of international relations, public international law, international human rights protection. |
| 15. | The Policy of Academic Integrity | <p>The policy of academic integrity is based on such basic principles as responsibility, honesty, integrity, decency in the performance of one's duties, justice, respect, etc. Its norms exist in close connection with the norms of professional ethics. The policy of academic integrity is aimed at preventing the manifestations of academic plagiarism, false co-authorship, attribution of the results of collective activities, publication of fictional research results, execution to order and sale of academic texts and more. The Academic Integrity Council is responsible for monitoring the observance of academic integrity by members of the academic community of the University.</p> <p>The norms that shape the policy of academic integrity are enshrined in Code of Academic Integrity, Regulation on the Prevention and Detection of Academic Plagiarism in Sumy NAU, Regulation on the Procedure for Checking Academic Texts for Uniqueness. Access to documents: https://snau.edu.ua/viddil-zabezpechennya-yakosti-osviti/zabezpechennya-yakosti-osviti/akademichna-dobrochesnist/</p> <p>Unicheck and Strikeplagiarism.com are used to check for plagiarism at any level, based on the internal database of the university and open Internet resources.</p> <p>In the educational environment of the university is formed “zero” tolerance for any manifestations of academic dishonesty, as well as the systematic promotion and informing the community on the above issue.</p> <p>For violation of academic integrity, applicants for higher education may be held subject to the following academic liability:</p> <ul style="list-style-type: none"> - repeated assessment (test, exam, test, etc.); - re-taking the training course; - warning; - reprimand; - deductions from the university; (Part 5 of Article 48 of the draft Law of Ukraine “On Education”); - arrest or restriction of liberty or imprisonment, with deprivation of the right to hold certain positions or engage in certain activities with a fine. |

5. ASSESSMENT

5.1. Diagnostic assessment

5.2. Summative assessment

5.2.1. Intended learning outcomes methods

| № | Summative assessment methods | Points / Weight in the overall score | Deadline |
|-----|---|--------------------------------------|---------------------|
| 1. | Practical work 1. Subject of the discipline “History of International Relations” | 2 points / 2% | Until 2nd weeks |
| 2. | Practical work 2. General characteristics of the Westphalian and Vienna systems of international relations | 2 points / 2% | Until 2nd weeks |
| 3. | Practical work 3. International relations during the First World War (1914 - 1918) | 2 points / 2% | Until 3rd weeks |
| 4. | Practical work 4. International relations between the two world wars | 2 points / 2% | Until 4th weeks |
| 5. | Practical work 5. International relations during the Second World War (1939 - 1945) | 2 points / 2% | Until 5th weeks |
| 6. | Practical work 6. International relations in the period after the Second World War and until the early 70’s | 2 points / 2% | Until 5th weeks |
| 7. | Practical work 7. International relations in the second half of the 70’s - early 80’s of the twentieth century | 2 points / 2% | Until 6th weeks |
| 8. | Practical work 8. Modern system of international relations. Globalization of international relations | 2 points / 2% | Until 7th weeks |
| 9. | Module control (written test) | 4 points / 4% | Until 7th weeks |
| 10. | Attestation (multiple choice test) | 15 points / 15% | Until 7th weeks |
| 11. | Practical work 9. The pan-European process and its role in ending the era of bloc confrontation | 2 points / 2% | Until 8th weeks |
| 12. | Practical work 10. International consequences of the collapse of the USSR and the emergence of new independent states | 2 points / 2% | Until 9th weeks |
| 13. | Practical work 11. The end of the Cold War and new parameters of international and European security | 2 points / 2% | Until 10th weeks |
| 14. | Practical work 12. Problems of arms control and the process of disarmament | 2 points / 2% | Until the 11th week |
| 15. | Practical work 13. International relations in the East | 2 points / 2% | Until 12 weeks |
| 16. | Practical work 14. Latin American and African countries in modern international relations | 2 points / 2% | Until the 13th week |
| 17. | Practical work 15. Current state and prospects of development of the system of international relations | 2 points / 2% | Until the 14th week |
| 18. | Module control (multiple choice test) | 6 points / 6% | Until the 15th week |
| 19. | Individual task | 15 points / 15% | Until the 15th week |
| 20. | Exam | 30 points / 30% | Until the 15th week |

5.2.2. Grading criteria

| Summative assessment method | Unsatisfactory | Satisfactory | Good | Excellent |
|---|--|---|--|--|
| Practical work 1. Subject of the discipline “History of International Relations” | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Not all theories of international relations are listed, there are mistakes in the table | All the necessary theories are presented, but there are insignificant mistakes in judgments about the meaning, positive or negative characteristics of the concepts, the student is guided in the submitted material | All theories are presented, there are no critical remarks on the main characteristics, the student is oriented in all the material |
| Practical work 2. General characteristics of the Westphalian and Vienna systems of international relations | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Not all tasks of practical work have been fulfilled, the purpose and results of the Congress of Vienna have been defined incorrectly, the role of personalities has not been specified. | Tasks are performed with minor errors, the student is not sufficiently oriented in the theoretical material, for example, confused in some minor provisions of the treaties, not sufficiently discloses the principles established by Congress | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 3. International relations during the First World War (1914 - 1918) | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The student performs tasks on analysis, military-political alliances (Triple Alliance and the Entente), but cannot determine the causes of deteriorating international situation in the early twentieth century, conclusions on the case in Sarajevo are partial or incorrect, can not link | The assessment of the reasons for the deterioration of the international situation in the early twentieth century is performed with minor shortcomings, a causal relationship is established, the student is guided | All tasks of practical work are completed, the student is well oriented in the theoretical material |

| | | | | |

| | | them to the beginning of the First World war. | in the theoretical material with small inaccuracies | |
| Practical work 4. International relations between the two world wars | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The student can describe the balance of power in the international arena after the First World War, but without analyzing the reasons. | Tasks are performed with minor mistakes, the student identifies and understands what were the main consequences of the Paris and Washington peace conferences, determines the peculiarities of the League of Nations (explanations for failure to regulate international relations are inaccurate). | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 5. International relations during the Second World War (1939 - 1945) | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The student has formed a certain idea of what are the prerequisites for the development of military conflict, however, can not compare them with ways out of war. Confuses the characteristics of certain stages of the war and the negotiation process during them. | Tasks are performed with minor errors, the student identifies and understands the reasons for the periodization of World War II, can formulate a generalized meaning of each event for the negotiation process and exit from the crisis. | All tasks of practical work are completed, the student is well versed in the theoretical material |
| Practical work 6. International relations in the period after the Second World War and until the early 70's | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The student has formed a certain idea of what are the prerequisites for the development of military blocs, may identify some aspects of the negotiation process, but cannot identify ways out of the Cold War | Tasks are performed with minor errors, the student identifies the prerequisites for the development of military blocs, may determine basic aspects of negotiation processes and ways out of the Cold War | All tasks of practical work are completed, the student is oriented in theoretical material |

| | | | | |
|---|---|--|---|---|
| Practical work 7. International relations in the second half of the 70's - early 80's of the twentieth century | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The student has formed an incomplete idea of the process of relieving international tensions and can identify some positive changes and trends in international relations during the "perestroika" of the USSR | The tasks were performed with minor mistakes, the student formed a complete picture of the process of relieving international tensions, analyzes the Helsinki Act of 1975 and identifies changes and trends in international relations during the "perestroika", but with some mistakes | All tasks of practical work are completed, the student is oriented in theoretical material |
| Module control (written test) | <i>0-1 points</i> | <i>1-2 points</i> | <i>2-3 points</i> | <i>3-4 points</i> |
| | Depends on the number and quality of correct answers to questions | Depends on the number and quality of correct answers to questions | Depends on the number and quality of correct answers to questions | Depends on the number and quality of correct answers to questions |
| Attestation (multiple choice test) | <i>0-3 points</i> | <i>3-7 points</i> | <i>7-13 points</i> | <i>14-15 points</i> |
| | Depends on the number of correct answers to the test | Depends on the number of correct answers to the test | Depends on the number of correct answers to the test | Depends on the number of correct answers to the test |
| Practical work 8. Modern system of international relations. Globalization of international relations | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Not all tasks of practical work have been fulfilled, a clear idea of globalization and related processes that lead to changes in the current international relations has not been formed. | Tasks are performed with minor mistakes, the student has formed a clear idea of globalization, but is confused by the accompanying processes that lead to changes in current international relations | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 9. The pan-European process and its role in ending the era of bloc confrontation | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Not all tasks of practical work are fulfilled, the student has incomplete | Tasks are performed with minor mistakes, the student is not | All tasks of practical work are completed, the student is |

| | | | | |
|--|--|--|---|---|
| | | understanding of the difference between the stages of integration processes. | sufficiently oriented in the theoretical material, in particular, can't systematize the main events that are a prerequisite for integration processes. | well oriented in theoretical material |
| Practical work 10. International consequences of the collapse of the USSR and the emergence of new independent states | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Not all tasks of practical work have been fulfilled, not all international consequences of the collapse of the USSR and the emergence of new independent states have been determined | Tasks are performed with minor mistakes, the student determines the main international consequences of the collapse of the USSR and the emergence of new independent states | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 11. The end of the Cold War and new parameters of international and European security | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | Tasks are performed with shortcomings. Not all OSCE institutions and missions have been analyzed, and NATO's transformation in the context of geopolitical changes in Central and Eastern Europe is not sufficiently substantiated | The work is done correctly, the student is guided by theoretical material, but there are mistakes in the context of geopolitical changes in Central and Eastern Europe, NATO enlargement, the European Security Charter is not fully analyzed | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 12. Problems of arms control and disarmament process | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The task was performed with mistakes, the student is not sufficiently oriented to the basic prerequisites for disarmament, stages and processes that accompany it | The work is done correctly, the student is guided in the material on the basic prerequisites for disarmament, stages and processes that accompany it, as well as draws conclusions from the data obtained | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |

| | | | | |
|---|--|---|---|---|
| Practical work 13. International relations in the East | Practical work is not done or done incorrectly | The task was performed with errors, the student is not sufficiently oriented in the Lebanese problem in international relations, does not distinguish between the security problem of the Persian Gulf. However, the main reasons have been identified. Can partially explain the main problems of the Middle East at the beginning of the XXI century | The work is done correctly, the student is guided in the material on the Islamic factor in international relations, can explain the meaning and significance of the operation of the United States and its allies in Afghanistan, determines its impact on global and regional international relations | All tasks of practical work are completed, the student is well oriented in theoretical material |
| Practical work 14. Latin American and African countries in modern international relations | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The task was performed with mistakes, the student is not sufficiently oriented in the peculiarities of international relations in Latin America, Africa, the activities of the Organization of American States (OAS) and the role of US influence on Latin America, can not identify problems of political stability and integration in the regions. Can partially explain the relations between African countries, the causes of conflicts and ways to overcome them | The work is done correctly, the student is guided in the material on international relations in Latin America, Africa, the activities of the Organization of American States (OAS) and the role of US influence on Latin America, can identify major problems of political stability and integration processes in the regions. Can explain relations between African countries, the causes of conflicts and ways to overcome them with minor inaccuracies | All tasks of practical work are completed, the student is well oriented in the theoretical material |
| Practical work 15. Current state and prospects of development of international relations' system | <i>0-0.5 points</i> | <i>0.5-1 points</i> | <i>1-1.5 points</i> | <i>1.5-2 points</i> |
| | Practical work is not done or done incorrectly | The task was performed with errors, the student is not sufficiently oriented in the | The work is done correctly, the student is guided in the material on the peculiarities | All tasks of practical work are completed, the student is well oriented in |

| | | | | |
