

**REVIEW**  
to the **EDUCATIONAL PROFESSIONAL PROGRAM (EPP)**  
**"International law" of the first level of higher education**  
in specialty 293 International knowledge law 29 International relations

The parameter by which the EPP is evaluated	Yes	No	Commentary
The EPP has clearly defined goals that correspond to the goals and strategies of the higher education institution	Yes		
The goals of the EPP and its program results are determined taking into account trends in the specialty, labor market, industry and regional context, the experience of similar domestic and foreign educational programs	Yes		
EPP provides an opportunity to achieve learning outcomes defined by the draft standard of higher education (2020) in the specialty 293 International Law	Yes		
The amount of EPP and individual educational components (in the credits of the European Credit Transfer and Accumulation System) meets the requirements of the legislation on the educational workload	Yes		
The content of the EPP has a clear structure; educational components included in the educational program are a logically interconnected system and together allow to achieve the stated goals and program learning outcomes	Yes		
The content of the EPP corresponds to the subject area of the specialty defined for it	Yes		
The structure of the EPP provides an opportunity for the formation of an individual educational trajectory, in particular through the individual choice of higher education students in the amount provided by law	Yes		
EPP and curriculum provide practical training for higher education, which provides an opportunity to acquire the competencies needed for further professional activity	Yes		
EPP provides for the acquisition by higher education students of social skills (soft skills) that meet the stated goals	Yes		
Forms of certification of applicants for higher education meet the requirements of the Law of Ukraine "On Higher Education"	Yes		
Learning outcomes for educational components correspond to the National Qualifications Framework	Yes		
In your opinion, will the introduction of the discipline "Legal English (GE & ESP)" improve the content of EPP?	Yes		
In your opinion, will the introduction of the discipline "International Environmental Law" improve the content of EPP?	Yes		
In your opinion, will the introduction of the discipline "Ukrainian language and academic writing" improve the content of the EPP?	Yes		

Do you consider it rational to have a second foreign language of your choice in the Educational Program (German or French)?	Yes
